RECOMMENDATION LETTER

CAMLEX CORPORATION

To Whom It May Concern:

It is with great pleasure and enthusiasm that I am writing to recommend you the AOW (All Over The World) system of CAMLEX Corporation for English language learning.

Nowadays, I'm taking the Advanced Level of this program and I'm very satisfied with my present language level. During this time, I have got several skills about English language that I didn't know it. The adviser's experience, the activities and didactic material is very helpful for language learning.

I believe that it's the perfect program for very interested people who want to learn forever the English language in a practice way.

I hope my perspective will be helpful to you as you evaluate this exceptional program.

Sincerely,

Edgar Enrique Cárdenas Bárcenas
